FUTURE PROOF IMPLEMENTATION COMMITTEE SUBMISSION ON PROPOSED PLAN CHANGE 5 TO THE WAIPA DISTRICT PLAN

This submission is lodged by the Future Proof Implementation Committee (FPIC) in **support** of *Proposed Plan Change 5 (Waipa 2050 Growth Strategy) to the Waipa District Plan (PC6)*.

The FPIC is the implementation arm of the Future Proof Growth Strategy (Future Proof, or Strategy). The FPIC includes representatives from the Hamilton City Council (HCC), the Waipa District Council (Waipa DC), the Waikato District Council (Waikato DC), the Waikato Regional Council (WRC) and tāngata whenua. As the administering authority for PC7, Waipa DC has abstained from forming a part of this submission. The Future Proof partners may still make individual submissions.

The FPIC supports the plan change as it aligns with the Future Proof Strategy and the Waikato Regional Policy Statement and gives effect to the Waipa 2050 Growth Strategy. The detailed matters of support are set out in our formal submissions attached to this letter.

The FPIC is willing to appear in support of its submission. If others make a similar submission, the FPIC would also be prepared to consider presenting a joint case with them at the submissions hearing.

Yours sincerely

Bill Wasley
Independent Chair, Future Proof Implementation Committee

Specific Feedback

Relevant Provision	Support / Oppose	Reasons	Relief Sought
Whole Plan Change	Support	Future Proof supports the Plan Change as it gives effect to the updated Future Proof Strategy by rezoning key growth cells to deferred zones in anticipation of growth needs. The locations of these cells are consistent with the Future Proof Strategy, the RPS and Waipa 2050. This also helps to give effect to the National Policy Statement on Urban Development Capacity.	Retain.
Waipa 2050 Plan Change and Section 32 Report, section 4(e)	Support	Future Proof supports the linkages to the Future Proof Strategy as set out in the section 32 report. This helps provide context for the strategic direction of the Plan Change and is important in terms of the policy cascade.	Retain.
Waipa 2050 Plan Change and Section 32 Report, section 4(d)	Support with amendments	Future Proof supports section 4(d) on the Waikato Regional Policy Statement but we are of the view that more detail should be added on the RPS, especially Section 6 on the Built Environment, in particular policies 14-16.	Retain with amendments.
Section 1 – Strategic Policy Framework	Support	Future Proof supports the changes to the strategic policy framework section as they refer to the deferred zones and also ensure that this section is up to date.	Retain.
Section 14 – Deferred Zone	Support	Future Proof supports the changes to the Deferred Zone section as these allow for the development of the deferred zones subject to certain criteria being met. Future Proof supports the criteria in particular the links to infrastructure delivery and development capacity / land supply.	Retain.
Appendix C – Planning Maps	Support	Future Proof supports the changes to the planning maps as they give effect to the rezonings.	Retain.
