FUTURE PROOF IMPLEMENTATION COMMITTEE SUBMISSION ON PROPOSED PLAN CHANGE 6 TO THE WAIPA DISTRICT PLAN

This submission is lodged by the Future Proof Implementation Committee (FPIC) in **support** of *Proposed Plan Change 6 (Hautapu Structure Plan) to the Waipa District Plan (PC6)*.

The FPIC is the implementation arm of the Future Proof Growth Strategy (Future Proof, or Strategy). The FPIC includes representatives from the Hamilton City Council (HCC), the Waipa District Council (Waipa DC), the Waikato District Council (Waikato DC), the Waikato Regional Council (WRC) and tāngata whenua. As the administering authority for PC7, Waipa DC has abstained from forming a part of this submission. The Future Proof partners may still make individual submissions.

The FPIC supports the plan change as it aligns with the Future Proof Strategy and the Waikato Regional Policy Statement settlement pattern by supporting a strategic industrial node. The detailed matters of support are set out in our formal submissions attached to this letter.

The FPIC is willing to appear in support of its submission. If others make a similar submission, the FPIC would also be prepared to consider presenting a joint case with them at the submissions hearing.

Yours sincerely

Bill Wasley
Independent Chair, Future Proof Implementation Committee

Specific Feedback

Relevant Provision	Support / Oppose	Reasons	Relief Sought
Page 10 (s32 report), Section 4(c)	Support	Future Proof supports the linkages to the Waipa 2050 Growth Strategy and the Future Proof Strategy.	Retain.
Pages 14-15 (s32 report), Section 4(f)	Support with amendments	Future Proof supports section 4(f) on the Waikato Regional Policy Statement but we are of the view that more detail should be added on the RPS, especially Section 6 on the Built Environment (policy 6.14 and section 6D, Table 6-2) are particularly relevant).	Retain with amendments.
Section 7 – Industrial Zone	Support	Future Proof supports the changes to the industrial zone which reference the Urban Design and Landscape guidelines and requires that development is in general accordance with Appendix S5 – Hautapu Industrial Structure Plan, Urban Design and Landscape Guidelines.	Retain.
Appendix B – Appendix S5 Hautapu Industrial Structure Plan, Urban Design and Landscape Guidelines	Support	Future Proof supports the changes to the Hautapu Industrial Structure Plan and the Urban Design and Landscape Guidelines. Hautapu is an important industrial area in the Future Proof Strategy and is identified as a strategic industrial node in the RPS. It is important that the structure plan is up to date and reflects changes that have occurred. Future Proof strongly supports the structure plan principles outlined in S5.1.5.	Retain.
Appendix C – Planning Maps	Support	Future Proof supports the changes to the planning maps as they give effect to the updated structure plan.	Retain.
